

PROFILE

I am a qualified experienced professional with a long experience in the audiovisual sector, striving to do what has never been done before. I possess leadership qualities and team-building skills. I love challenging the conventional ways of thinking in the industry and I am used to working under pressure and tight deadlines, always ensuring the highest quality standards.

OBJECTIVE

My main goal is to create productions that add tangible value to people's lives and that are at the cutting edge of creativity. Additionally, working in an environment where inclusion, teamwork and, of course, excellence are paramount.

OUTSTANDING PROFESSIONAL EXPERIENCE

● **Postproduction Coordination Department** - I am currently assistant postproduction coordinator for 6 fiction series in the production company **BUENDÍA ESTUDIOS** (June 2023 to present). Between 2013 and 2015 I was Postproduction Coordinator for 3 seasons of the animation series Mr.Trance for the production company EL RECREO ESTUDIO.

Outstanding Skills - Management, organization and supervision of the workflow of the Editing and Postproduction teams [Conforming, Music (spotting, composing, production, revisions, deliveries), Color (pregrading, color, revisions, deliveries), Sound (editing, ADRS, mixing, revisions, deliveries), VFX creation, Graphics (headers, credits, etc.)] | Management and organization of the approval by Directors and Executive Production of everything related to Editing, Color, VFX, Sound, Music, Graphics | Management of all invoices related to the post-production process | Supervision of the post-production schedule.

● **Editor** of more than 80 audiovisual projects (2004/2023), among others: 52 chapters of 5 minutes. Animation Series | 8 Documentaries | 5 Fiction Short Films | 10 Trailers | 9 Making-of | 6 Moodtrailers | 3 Videoclips | 9 Web Spots | 10 Video-dance Short Films | 12 Video Art Short Films.

Obtaining more than 150 nominations in festivals around the world. Among others:

- Official Selection of the Critics' Week of the **Cannes International Film Festival**. 2022
- Official Selection of the **Toronto International Film Festival**. 2022
- Zabaltegi-Tabakalera Competitive Section of the **San Sebastian International Film Festival**, opening this section. 2022
- **International Emmy Awards**. 2015
- Official Selection, out of competition. **Sitges** - International Fantastic Film Festival of Catalonia.
- Official section, out of competition. **San Sebastian Horror and Fantasy Film Week**.

Outstanding skills - Work briefings with Director and Producer | Analysis, brainstorming and contribution of creative experience | Reading, notes, revision and analysis of the script | Search for references | Analysis and selection of shots for editing | Analysis of script parts | Creation of structure | Creation of scripts based on totals | Creation of animatics | Audiovisual editing of projects | Application of SFX, VFX, GFX | Supervision of deadlines.

● **Creative Producer | Associate Producer** in different production companies (2016 / 2023), highlighting my work in the film production company **APACHE FILMS** (2016 / 2020). Producing 12 films, 2 series and developing more than 40 projects.

Outstanding films and series: *La llamada* and *Paquita Salas* directed by Javier Calvo and Javier Ambrossi, *Quién te cantará* directed by Carlos Vermut, *Verónica* and *La abuela* directed by Paco Plaza, *The sister brothers* directed by Jacques Audiard.

Obtaining among many other awards and nominations:

- More than **30** nominations to the **Goya Awards**.
- Two nominations in the **Official Selection of the San Sebastian International Film Festival**.
- One Academy Awards nomination (**The Oscars**).
- The Silver Lion at the **Venice International Film Festival**.

Apache Films was headed by Enrique López Lavigne, producer of films that accumulated more than 80 MILLION spectators and more than 200 AWARDS, with titles such as *Lo Imposible* and *Un monstruo viene a verme* by J.A. Bayona.

Responsible for the creative area of the production company, leading the creative strategy to position our projects in the first line of sales. From the first script synopsis and the search for financing, to its theatrical release and implementation in different formats and platforms. Working closely with Producers, Directors, Distributors, Marketing and Communication Agencies, etc.

Outstanding skills - Executive decision making | Production (planning, coordination, supervision) | Trend analysis | Development, creation and presentation of projects and associated creative materials | Development, creation and presentation of marketing campaigns and associated creative materials | Brand design | Scripting | Directing | Recording | Graphic design | Materials management | Deadline supervision.

● **Continuity Supervisor | Assistant Director** in 30 audiovisual projects (2002 / 2014). Among them, several series and films. Collaborating with directors such as: Sergio Cabrera, Marina Seresesky, Jacob Martos, Marc Vigil, etc. And, artistic teams such as: Paco León, Carmen Machi, Alvaro Morte, Asier Exteandía, Juana Acosta, etc. Produced and broadcast on A3M, RTVE and TELECINCO.

Outstanding skills as Script - Reading, breaking down the script by departments, by characters, by locations, etc. | Analysis of the shooting plan and the daily shooting order | Meetings with the different departments | Supervision of the continuity of each shot (script, character directions, direction of the looks, action cut points, action continuity, etc.) | Completion and delivery of the daily production and editing reports.

Outstanding skills as Assistant Director - Breakdown of the literary script, noting all the needs for each of the departments involved in the production | Meetings with the heads of each department involved in the production | Location scouting | Preparation of the shooting plan and the daily shooting order | Coordination of all the departments involved in the production | Organization of wardrobe and make-up tests and rehearsals of actors and extras | Appointments of actors, directors, technical crew and extras | Organization on set of everything related to actors and extras.

● **Producer | Director | Scriptwriter | Camera Operator** (2004 / 2014). Founder of the independent audiovisual production company Nadia NN Martínez de Marañón y Navarro. Producer with more than 60 audiovisual projects produced (documentaries, short films, video dances, video art, web commercials, video clips, etc.). Collaborating with companies such as RTVE, MTV, Canal Cuatro, Cartoon Network, MoMA, Hispan TV, 360 Global Media, Renfe, Comunidad de Madrid, Spanish Ministry of Culture, Edinburgh City Council, FIB (Benicassim International Festival), big event companies, etc.

- Achieving more than **100 nominations** in some of the most prestigious festivals in the world.

Outstanding skills - Responsible for all creative, executive and organizational decisions of the projects for all purposes (script, financing, production and post-production schedule, casting, technical team, locations, etc.).
